

Boys Football

Wilkinson 7 s 0 Lanesfield

Loxdale 5 s 3 Lanesfield

Field View 7 s 3 Lanesfield

On Thursday our boys football team took on Field View at home. The boys worked well and pushed in the first few minutes getting the ball through the opposition and Alieu finding the first goal. Quickly the team gained possession again and we were 2 - 0 up after some manoeuvres around Field View players. Field view then charged back and caught the boys off guard making a few runs down the wings the score levelled to 2-2 at half time. Field View made some changes and again managed to press hard in the second half creating a flurry of goals. Lanesfield fought back but were unlucky with a few strikes narrowly missing the goal. In the final minutes Anthony managed to move past the Fieldview defence and get our 3rd goal. The final score was 7 - 3, Lanesfield were unlucky with some of their chances, however the boys showed determination right to the end.

Eastfield 0 s 5 Lanesfield

In our final football game of 2022, we played Eastfield Primary. We travelled to Eastfield keen to prove a point. In the first half of the game, we pressed forward and used good communication, which allowed Alieu to push through to hit the back of the net. After the goal we increased our confidence and had more shots on goal and Anthony managed to hit the -post! After a short break we were raring to go. Starting from the centre we moved the ball to the wings and kept in possession, which allowed us to have more shots on goal and Alieu proceeded to

get a hat trick keeping the Eastfield team on their toes. After a free kick it opened the play up for Adeel to get his name on the team sheet with great strike over the keepers head, then followed up again in the last few minutes to make the final score 5-0.
