## Message from our Head Teacher

Welcome back - can you believe it's already been two weeks, where is the time going. Topic week was a great success and we have lots more to look forward to this term Kingswood, Ingestre hall and the London trip.

Thank you for all the valuable feedback on the DDA questionnaire. I will be working with Mrs Martin and Mr Harrison from the LA to identify the next steps.

The weather still continues to be a challenge so please continue to send in coats and let's hope it takes a more positive turn soon.

Finally, it is that time of year 'SATS'. Year 6 parents will be receiving a letter inviting the children to SATs breakfast club during the next few weeks. This is a super time for the children to get together and have time to prepare but ease any nerves at the same time. Please bear this in mind - sleep is so important to young minds. It also ensures pupil wellbeing and helps us manage emotions. This year will be the first time that year 2 children do not have to complete SATs as they are no longer statutory. At Lanesfield, we will still complete a year 2 SATS assessment but this will be completed later in the term, in line with all other year groups

## Uniform Reminder

As we move into Summer uniform, I would like to remind parents of our uniform policy.

Girls can wear purple checked dresses. All children can wear uniform grey shorts and polo shirts (without tie).

- Jewellery should not be worn (except for religious purposes). The only exception to this is small stud earrings which should be removed for PE for safety reasons.
- Children should not wear nail varnish or nail gels.
- Long hair should be tied back.

## Midlands Air Ambulance - our charity of the year

Thank you to all of our parents who donated on our Wear it Red day.

Your support is very much appreciated.

On Friday afternoon the children in Red and Yellow family club had lots of fun doing activities linked to rain. They each had a go at painting a picture and making rain gauges so that we can measure the rainfall in this week's club.

## Lateness in School

We have seen an increasing number of children coming into school late. Children should be in classes between 08:30 and 08:40.

Children arriving after this time are given a late mark. This can impact heavily on learning as being late 15 minutes a day means 10 days of learning are lost.

Please ensure your child(ren) arrive at school on time every day.

Please also note that only children who come to school after the gates have closed should enter through reception.

## Lost Minutes = Lost Learning

Netball Match - Lanesfield vs Springvale

On the 19th March, eight year 6 children took place in a netball match against Springvale primary school. At around 3 we went outside and did a bit of training to warm us up before Springvale arrived. Then we recapped our positions and where we could go. The whistle blew and the game officially began. In the first six minutes of the game Springvale scored a goal, but we started to make a come back with Sophia taking a shot and levelling the score.

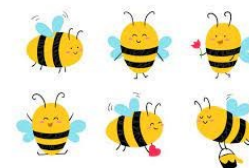

Then, as we got further into the game Springvale managed to score another two goals, then we started to make an attack with Elizabete scoring 3 goals in a row putting us ahead. Kimpreet got in on the action too after a couple of missed shots, her persistence paid off, finally securing a goal. Then it came to the final quarter where we maintained our score, finishing 5-3 to Lanesfield.
