April 2023 Issue 12

Message from our Head Teacher

Welcome back - can you believe it's already been two weeks, where is the time going.

Topic week was a great success especially the Vikings visit to Purple class.

This term we have welcomed a lot of new children to Lanesfield. I am so proud of our children for making them welcome.

Thank you for all the valuable feedback on the DDA questionnaire. I will be working with Mrs Martin and Mr Ford from the LA to identify the next steps.

I am hoping this lovely weather will stay, but please continue to send in coats as it is so changeable and we do like the children to be outside as much as possible.

Finally, it is that time of year 'SATS'. Year 6 parents will be receiving a letter inviting the children to SATs breakfast club during this week. This is a super time for the children to get together and have time to prepare but ease any nerves at the same time. This year SATs are directly after the King's Coronation and we are eager that the children enjoy this special event, but are also well rested. Please bear this in mind - sleep is so important to young minds. It also ensures pupil wellbeing and helps us manage emotions.

Thank you for your support.

Please be mindful of our children and our neighbours

We have received several complaints again from residents who live on the roads around our school.

The complaints are all regarding parents driving carelessly, parking across private driveways, being unsafe and thoughtless.

Please can you ensure that this is not you!
Thank you.
