

Girls Football

Wilkinson 6 s 0 Lanesfield

For the first time Lanesfield have entered a year 5 and 6 girls football league. The girls worked tirelessly against a strong Wilkinson in their first game. We lost 6-0 but this score line does not reflect the work the girls did to keep possession and to fight to get the ball back. Mrs Biddle will continue to work with the girls at lunchtime to support future games.

Our newly formed girls football team have put in two great performances in the last few weeks. The girls have thrown themselves into playing and are learning more about playing football in each game.

Villiers 0 s 1 Lanesfield

We travelled to Villiers to play our 2nd game with a training session under their belts, the girls kept things tight with passes between players and keeping a good space allowing us to move up the pitch. With a break in play Amanjot managed to secure a goal in the first half. The Lanesfield team then managed to press and keep the Villiers girls out, to allow the final score line to be Lanesfield 1 - Villiers 0.

Stow Heath 7 s 2 Lanesfield

Stow Heath travelled to Lanesfield on Monday 13th February. With a win behind them the girls were positive and happy to show off their increasing skills at home. Unfortunately, in the first few minutes Stow Heath caught us off guard with a couple of quick goals. The girls fought back and kept keeping an eye on their defenders although Stow Heath managed to get a couple more goals, Sophia managed a break down the left and get a Lanesfield goal. After half time the girls managed to hold their position and get a few breaks towards the goal with Sophia getting Lanesfield's second goal. The girls kept persevering and didn't up. Stow Heath 7 - Lanesfield 2
