Feedback | Class

Voters see the results and feedback from last week's topic.

Section 1: 2 mins | Individual

Voters see images of four locations in the UK. They point at the image they think shows this year's City of Culture.

Section 2: 2-3 mins | Class

Voters think about the word "culture" and what it means. They are then introduced to this year's City of Culture, Bradford.

Section 3: 3 mins | Class

Voters watch a short video to learn more about Bradford and what is happening there this year.

Section 4: 5-10 mins | Class

Voters see a range of events taking part in Bradford this year. If they think they would enjoy each event, they do a dance. If they would not enjoy it, they freeze still in a dance pose.

Section 5: 5-10 mins | Individual

Voters draw a smiley face and a non-smiley face on a whiteboard or scrap piece of paper. Voters learn about some ways that research has shown art to impact our health and wellbeing. They show a smiley or a non-smiley face depending on whether art does or doesn't have this affect on them.

Section 6: 6-8 mins | Individual

Voters read some opinions based on this VoteTopic. If they agree, they make a high-pitched sound, if they disagree, they make a low-pitched sound. They close by adding their own opinion into the mix.
