Message from our Head Teacher

As we come to the end of a busy and productive half-term, we'd like to thank you for your continued support.

This week, pupils enjoyed celebrating **Diwali** together. They dressed up, shared sweets, and learned about this important festival. Thank you to **Miss Siddique** for ensuring these were delivered on time.

We're pleased to share that our school has been selected to have **solar panels installed** - a positive step for both the environment and our energy costs. Pupils took part in a workshop to learn more; further details are included later in the newsletter. Also, please take a look at OPAL bingo to see if you could send any items into school

A reminder that **Target Setting Days** are taking place **today and tomorrow**. These meetings are important for sharing key information about your child's progress. If you haven't yet booked an appointment or need help with timings, please contact the school office.

As we head into the break, we hope everyone takes time to **rest, relax, and recharge**. We look forward to welcoming pupils back on **Monday 3rd November**.

Boys Football

The Boy's football team have been busy at the end of term with two games. Last Thursday, they played Loxdale and had a convincing 2-1 win with goals from Kiaan and Simeon.

Then on Monday, the boys played against St Stephens and although Kiaan scored a fantastic goal from a corner, St Stephens managed to get 3 goals passed us with the final scoreline of 3-1.

OPAL Bingo is back for the Autumn Term!

The children have thoroughly enjoyed all the loose parts they can play with at lunchtime, but things do get broken and lost. By working together as classes and bringing loose parts in, as part of OPAL bingo, helps us replenish and create new areas for the children to enjoy at lunchtime!
