Christmas December 2022

Message from our Head Teacher

Is it really that time of year again! As we did last year we have a full programme of events planned. To ensure your child does not miss out please look carefully at the timetable of events and book anything you want your child to take part in. We are asking parents to support by sending in a jar filled with anything you think children will like, last year we had pencils, cars, sweets etc.

This is for the children's tombola so the children can win a prize every time! The more prizes, the more children can take part.

School Fund

'School funds' is money normally raised by Friends of Lanesfield school (FOLS) however currently we do not have any established members so events have been organised by school staff. This money goes to all the additional extra's such as Christmas presents and ice creams at the theatre, and many other things.

Important - Parentmail

It is important that all parents ensure they have signed up to Parentmail. This is now the main platform for communication from school and all information will be sent this way.

Performances - School will open 15 mins before each performance
