Message from our Head Teacher

Thank you so much for your help and support this term as always it has been hectic, but as you will see from the pictures we have worked hard and had lots of fun. I am so pleased that we have been able to take part in so many offsite visits and look forward to more of these to come. Additionally, it has been good to start up some after school clubs for the children to engage in. This will be developed further next term.

Thank you for your support with raffle tickets we were able to raise £141.00 for the school fund.

Sadly, this term we have said good bye to Miss Hill who decided to leave Lanesfield and move to another school. I would like to say a big thank you to Miss Holder who has done an amazing job at teaching in Early years and welcome Miss Walker who has supported us for this term and who will continue until the end of the Summer term. I would like to wish you all a Happy and Healthy Easter and for families celebrating the holy month of Ramadan; Ramadan Mubarak.

Milk

All children under 5 years old receive free milk in school. For the parents of children that are over 5 and continue to have milk in school, please check with your child if they are drinking their milk. We have a lot of wasted milk at the end of each week and would not want parents paying for milk that is not being consumed. If your child is free school meals and the school currently pays for the milk, please let us know if you would like us to cancel on your behalf.

Top Attendance:

- Lilac 95.1%
- Green 94.6%
- Blue 94.4%

Easter Egg raffle winners

Happy Easter from Friends of Lanesfield!

All children will receive a creme egg or caramel egg on the last day of term, courtesy of FOL. We also have alternatives for children with dietary requirements .

Water Bottles in school

All children should have a water bottle in school with water in - lots of children are not bringing them in.

Swimming Contribution

We ask that parents make a small contribution of £1 per term for swimming costs.

This is for our Year 3 and Year 6 children.

Payments are showing on Parentmail for this term.

Hockey Competition

On 29th March, we (a team of 8), went to Aldersley Stadium for a hockey competition. Our first game was against Villiers Primary School which resulted in them winning at a score of 3-0. This team seemed like they had experience behind them as they were able to mark us and pass easily to their team mates. We were also making good passes but, we were all clustered and couldn't quite get away into the D. Our next game against West Park also ended with the same outcome 3-0. We were trying our best to defend the goal but we were trying so hard that we ended up in the restricted area giving the opposition a free pass on goal. Although, we lost our games we didn't let that bring us down as we did a small game just in our team at the end of the matches.
