June 2021 Issue 17

Message from our Head Teacher

Thank you everyone for your feedback regarding the possible change of our school working week. Governors met to discuss all feedback and consider the points raised and have made the decision that we will not change school hours in the next academic year. Main considerations were; timings with regard to the current situation around COVID, along with concerns about how free childcare provision would work. It was also recognised that only 194 replies were received.

We will review this consideration next year and seek advice from other schools that have implemented a similar working week to support pupil and staff welfare and wellbeing.

This half term is proceeding extremely quickly and we have lots of fun events in school. It is sad that we cannot welcome parents in. However, please ensure you track our remote learning platforms and school website as we still endeavour to share these virtually and through lots of photos.

Finally, a reminder that the weather is now very warm so please ensure children come in with sun hats and have sunscreen applied before school.

Pet Week

Well done to Amelia who won the raffle for the husky dog.

We have also received a 'Thank you' from Birmingham Dogs home for the donations of dog food and treats.

The cat food and treats were donated to Caars Rescue centre.

Certificate of Merit

Birmingham Dogs' Home most sincerely thanks

Year 5/6 Sports Day

The weather was warm and dry for our year 5 and 6 sports day. The children enjoyed the different stations, all recording their efforts to add to a house point total. It was great to see everyone trying their best and children wearing their house tops, proudly representing their house.

UKS2 House points results were:

1st Hilton,

2nd Hackford, 3rd Newman, 4th Florence
