Emergency Action List

ACTION BY:- Mrs Z Rollinson

Stage 1 - Initial Actions

- Open and continue to maintain, a personal log of all factual information received, actions taken, and the time of those events.
- Make every attempt to clarify exactly what has happened.
- Then consider whether Incident requires involvement of 'Local Authority Support Team' NB it is requested that initial contact be always made with the Local Authority in emergencies in case they have wider significance.
- If so, contact one of the single point contact numbers listed on page 11.
- Establish whom they will contact. Check this includes the Education Committee Chair.

If during term time

- Unless there is overwhelming pressure, avoid closing the school & endeavour to maintain normal routines & timetables.

The School would continue operating as normally as possible during a pandemic, but would plan for much higher than usual levels of staff absence.

- Children are highly efficient 'spreaders' of respiratory infections; when more is known about the nature of a pandemic strain of virus, the Government may advise schools to close.
- The School would, therefore, plan both for remaining open during a pandemic and for possible closure.
- Wherever possible, the school would remain open to full-time pupils, even in the event of the School being closed to pupils in Nursery.
- If the School were to close to pupils, staff should come into School as normal, unless ill.
- If Government advice stated that schools should close, the Head teacher would take the final decision on whether to close the School.
- If the School remained open during a pandemic, it would be ensured that: sick pupils are separated from other pupils (and minimise their contact with staff) until one could get him or her home or collected by parents, systems would be in place to minimise the spread of infection, e.g. hand-washing, disposal of tissues, disinfectant on door handles etc.
- Any staff or pupils showing signs of infection would be sent home as soon as possible. Flu-like symptoms include the sudden onset of fever, headache, muscle pains and feeling ill, with or without sore throat, cough or difficulty breathing.
- The School would provide any information requested by the local health authority or other Government agency.
- In the event of low staffing, the school will consider combining classes together, calling upon the support of the level 3 support staff and senior leadership team and utilising the space within the hall to accommodate the higher ratio of children to staff.

If outside term time (or outside school hours)

- Arrange for:-
 - The Site Manager is to open certain parts of the school as appropriate and to be available (and responsive) to requests.
 - Immediate School Administration support.
- Think about what you are wearing when you go into school, in case you are unavoidably drawn into a TV interview.
- If the Incident does attract Media attention, you are likely to be inundated with requests for interviews and statements. Try to postpone Media comment until after the LA's PR Officer arrived (who will be part of the 'Local Authority Support Team'). If you cannot, see Appendix 2 for some key points to remember.

NB: It is especially important that if names of those who may have been involved in the incident are known DO NOT release – or confirm – them to anyone, before those identities are formally agreed and parents are informed.

- If deputising for the Headteacher, try if possible to contact and brief him/her.
- Inform Chair of Governors-
 - of Incident and, if appropriate, of involvement of 'Local Authority Support Team'.
 - they should standby to be available for interview by the Media.
- Call in the designated staff members to form the 'School Emergency Management Team', and nominate one as the On-Site Coordinator to oversee that Team on your behalf.
- Be prepared to receive many telephone calls.
- Recognize the relevance of multi-cultural and multi-faith factors in the response.

Stage 2 – Once established

Brief Staff Member acting as On-Site Co-ordinator to oversee the following:-

- If 'Local Authority Support Team' has been activated, arrange for On-Site facilities for the Team.
- Agree appropriate identification of staff by using badges
- Expect to see identification of Local Authority Support Team Officers.
- Set up arrangements to manage visitors – arrange for their names to be recorded.
- Set up arrangements to enable accurate information to flow into and out of the school

and for telephones calls, by ensuring –

- sufficient help is available to answer the many calls that could be received (The Local Authority Support Team will be able to assist with a 'Help-Line')
 - staff maintain records of all calls received
 - brief, but up-to-date prepared statements are available to staff answering phones
 - media calls are directed to the LA's PR officer
 - care is taken when answering telephone calls
 - an independent telephone is made available for outgoing calls only – a mobile phone can be useful – but remember such messages can be readily intercepted
 - telephone staff are reminded that some calls could be bogus
- To arrange for all staff – not just teaching staff – to be called in and, if necessary, briefed at an early stage. (Subsequent briefings say 2 x per day for 10 minutes, should be arranged.
 - To be aware of how colleagues are coping
 - To arrange for all pupils to be told, in simple terms, at an early stage (ideally in small groups and initially by class teachers, wherever possible).
 - To brief Team to discourage staff and pupils from speaking to the Media.
 - To arrange, if appropriate, for Team members to each have a copy of the Next-of-Kin List.

Parents:

- If pupils are involved, the contacting of parents will be an important early task (remember if it is a major Incident, the parents may well have already heard). It may be appropriate to ask the parents to come to the school for a briefing and support. This will need to be done with the utmost care.
- Maintain regular contact with parents.
- If Incident away from school seek Police advice whether parents should travel to the scene, or whether children should be taken home.

Staff:

- Remember to have regular breaks, and advise others to do so.
- Maintain regular contact with staff (Teachers and office staff). Make a point of seeing that all staff involved know each other's roles & responsibilities.
- Always try to think of something positive to say to staff & respond positively to ideas and suggestions

- Be available to see staff when required.
- Remember some members of staff may be so affected, that they will not be able to help in supporting children
- Recognise also that if the burden of dealing with the situation falls disproportionately on a small number of staff, they too could need professional support.
- If Incident is away from school, try to dissuade shocked staff from driving parents to the scene.

'Local Authority Support Team'

- Maintain liaison with 'Local Authority Support Team' Senior Officer for duration of Incident.

Stage 3 – Period following the close of the incident

- When appropriate, seek advice from 'Local Authority Support Team' and local clergy contact on special assemblies/funeral/memorial services.
- Prepare joint report with named Senior Officer, for Director of Education.
- Arrange for a member of staff to make contact with any pupils either at home or in hospital.
- Make sensitive arrangements for the return to school (as appropriate).

Stage 4 – Longer term issues

The effects of some Incidents can continue for years. Thought will need to be given to:-

- Work with Staff to monitor pupils informally
- Clarify procedures for referring pupils for individual help
- Be aware that some Staff may also need help in the longer term.
- Recognise and if appropriate, marking anniversaries
- Remember to make any new staff aware of which pupils were affected and how they were affected.
- Remember that legal processes, inquiries and even news stories may bring back distressing memories and cause temporary upset within the school.
- Remember if the Incident does attract Media attention, it is likely that interest will

continue for many weeks.
