

# Tapestry for Parents and Relatives: Web Browser Version Guide

## Where to find Tapestry

To access the web browser version of Tapestry go to [www.tapestryjournal.com](http://www.tapestryjournal.com) or follow [this link](#) if reading a digital version of this guide.

## Login Information

In order to use Tapestry, your school will have to create a user account for you on the system.

Tapestry support (the customer services team) are unable to create or modify relative accounts; if you have an issue with your Tapestry account please contact your school. Tapestry support can only directly provide parents and relatives with basic advice on how to use the system.

The screenshot shows the Tapestry login interface. At the top is the Tapestry logo and the text 'Tapestry ONLINE LEARNING JOURNAL'. Below this are two input fields: 'Email address' and 'Password', both with masked characters. A blue 'Log-in' button is positioned below the password field. A link for 'Having trouble logging in?' is located below the button. At the bottom, there are two buttons: 'Need help? Tapestry Tutorials' and 'New to Tapestry? What is Tapestry?'.

**Your Username:** This will be the email address your setting used to register you on Tapestry, for example [jparent@example.co.uk](mailto:jparent@example.co.uk).

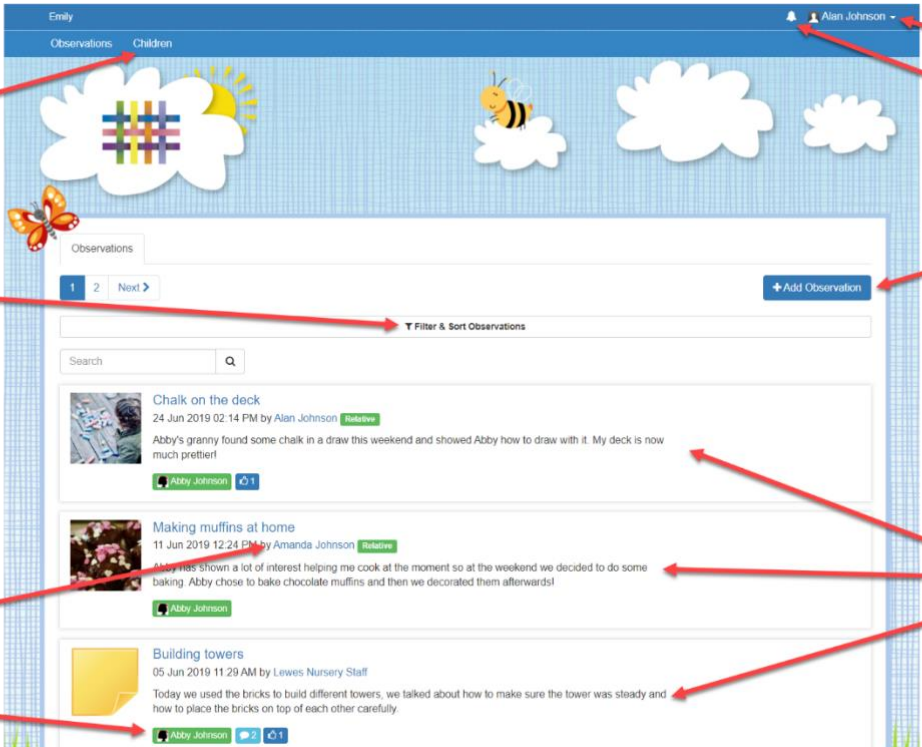

**Your Password:** You will get your password in one of several ways:

1. You will receive an email generated by your school that contains a link you can follow to set up your own password and PIN number for Tapestry. This link will expire 30 days after it has been sent. If your link has expired or won't work for another reason, please contact your setting manager for assistance.
2. Your password will already have been set by your school. You will receive it in written form, or in an email sent by setting staff.
3. You can change both your email and password through the browser version of Tapestry whenever you like.

The screenshot shows the 'Set your new password' page. It features the Tapestry logo and the text 'Tapestry ONLINE LEARNING JOURNAL'. Below the logo, the heading 'Set your new password' is followed by two green success messages: 'The password must be at least 10 characters long' and 'New Password and Confirm Password must match'. There are two input fields: 'New Password' and 'Repeat New Password', both with masked characters and a PIN icon. A blue 'Submit' button is located at the bottom left.
