

Lanesfield Primary School Newsletter

October 2021 Issue 3

Message from our Head Teacher

It's been a busy few weeks with learning walks and pupil interviews. I am really pleased to see that all classes now have their school councillors and even more excited to share we have our very first Eco Warriors. I can't wait for this to be up and running so that parents can find out more about our Warriors mission to improve our 'Eco' footprint.

Last week we looked at all things maths at Lanesfield. The children showed just how well they can use resources to help with place value and use A. B. C. to develop understanding in class. Be sure to ask them how we use A. B. C. during lesson time.

This week Governors will be in school to see how the children walk into learning. It will be our first meeting in school since the pandemic and I know they are all very excited to see the children in classes again.

Finally, we have identified the Ambassadors for 2021-22, but it is still a highly kept secret. We aim to complete all prefect interviews by the end of the week and then we will be able to celebrate these important job roles in school. Look out for the next newsletter where we will be able to share this information.
