### Rationale

As part of our Health and Safety policies and procedures the school has a Lock Down Policy.

On very rare occasions it may be necessary to seal off the school so that it is not able to be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or outside the school in the near vicinity.

A lockdown is implemented when there is serious risk to the premises due to, for example, near-by chemical spillage, proximity of dangerous dogs, serious weather conditions or attempted access by unauthorised persons intent in causing harm / damage.

### Notification of Lockdown

Staff will be notified lock down procedures are to immediately take place on hearing the music under the sea or from the playground hearing a fog horn or three blows of the whistle followed by words lockdown.
