

TAPESTRY  
ONLINE LEARNING  
JOURNAL

# Tapestry Online Learning Journal

---

# What is Tapestry?

---

- ▶ Tapestry is an online learning journal system
- ▶ There is an app and browser version available
- ▶ We can use it to record children's learning and development using tablet devices and PCs
- ▶ We can set you up as parents with your own secure logins so you can view, comment on and add your own observations to their child's journal

# Why are we using Tapestry?

---

- ▶ It creates a two way communication between us (the staff), and you
- ▶ We can upload media, meaning you can see pictures and videos of what your child is really up to whilst they are with us
- ▶ There are greater opportunities to extend your child's learning at home – you can view next steps, add your own observations and communicate with us whenever you like
- ▶ Unlike a physical, hard copy book, it's easy to share with groups of relatives, such as extended families, separated parents and relatives living overseas

# How is the data kept safe?

- ▶ A password is required to access Tapestry, remember the stronger the password you set, the more secure your account is
- ▶ You are linked manually to your child/children so you can only view observations for them
- ▶ We don't need to store any of the data entered onto Tapestry, they store it for us on secure cloud servers within the EU
- ▶ Data is stored separately for each school
- ▶ Tapestry's developers and support personnel require our permission to access our Tapestry account
- ▶ For more information about Tapestry security you can go on their website <https://tapestry.info/security.html>

# Logging in

- ▶ To login to Tapestry we will need to have an email address for you
- ▶ Once you activate your account you can then login using your email and password
- ▶ If you forget your password, school will be able to assist in resetting it

The screenshot shows the login interface for Tapestry Online Learning Journal. It features the logo at the top left, followed by the text "TAPESTRY ONLINE LEARNING JOURNAL". Below this, there are two input fields: "Email address" and "Password". A blue "Log In" button is positioned below the password field. At the bottom left, there is a link that says "Having trouble logging in?".

# Observations

- ▶ When you login to your account you will be able to see any observations for your child that have been added to their journal
- ▶ You will be able to see any photos/videos/audio files/documents attached to the observation
- ▶ Underneath the media you will see the notes, so the actual observation
- ▶ will also be able to add comments and like the observation
- ▶ You can also add your own observations

Listening to a story

Tapestry Journal has given you permission to download these photos and videos.

Notes

This morning, after we had all tidied up, we sat on the number carpet where one of our teachers read a story about a little girl who is searching for a star. (Lear's Star)  
We all listened really well and discussed various aspects of the story. We each made our own predictions of what might happen next and how we think the story might end.
