7TH January 2022

Dear Parents/Carers,

We are writing to inform that your child has successfully achieved the swimming requirements that are expected at the end of year 6.

- Swim competently, confidently and proficiently over a distance of 25m
- Use a range of strokes effectively
- Perform safe self-rescue in water-based situations

Due to your child completing the above we believe it will be more beneficial for them to receive a PE lesson instead of attending swimming on Monday afternoons. Due to the small number that will be staying in school for the PE lesson they will be able to focus on improving other areas of the PE curriculum to support their own physical development.

This will commence from Monday 10th January, so they will not require to bring swimming kit into school.

You should congratulate your child on the progress they have achieved this year with the booster swimming lessons.

Yours faithfully

Mrs Z. Rollinson

Mrs Z Rollinson
