## September 2022 Issue 1

### Message from our Head Teacher

Welcome back to school. It has certainly been like a roller coaster. I have been really proud of our pupils and our team, as they have managed this extremely emotional time very well. The World of Work day was a huge success - we were so proud of the children. They coped really well with the news of Queen Elizabeth's passing and used the day to focus on what an example she was to us all. One of our pupils told me clearly what a role model she was as most people, "Stop working at 60, but she worked until she was 96!" They acknowledged that her hard work and devotion to duty was something to be grateful for.

Topic week was another success and we are beginning to settle into our Fridays too! Thank you for your support and patience as we all get used to the new Arbor system as well as build and develop relationships with Caterlink our new catering provider. We had a tricky start, but they have responded to school requests and we can see improvements. In the next few weeks we will be sending a parent questionnaire for so we can gather feedback to share any outstanding concerns you may have.

Moreover, thank you also for attending the parent open sessions. It was really lovely to see parents back in school. This will be a key feature for this term.
