Helpers on the night & VD/JP/AC/SD/ZR

Second Hand Uniform shop

All agreed it had been disappointing as little had been sold. It was suggested that maybe more reminders could be sent out next time and there had also been a suggestion from a parent on the night that the uniform was just put out with an honesty box. All agreed this was worth trying in future.

Dragons Den

Mrs Davidson shared that Mrs Rollinson had welcomed this suggestion so Mrs Davidson would speak to Miss CC with what had been put forward. All agreed there should be an idea from every class, put forward by the School Council who would compete and present for the funding.

AOB

Mrs Davidson said she has a suggestion for the group with regard to a possible funding project. She asked the group whether they would be prepared to use some of the money they had raised to enable the school to keep 3 of the chicks hatched in nursery. This would be relatively cheap to fund on an ongoing basis and Mrs Davidson suggested a plaque could be put up so it was visible to parents. All agreed they would be happy to fund and Mrs Cooney provided the group with details of volunteers who could build a coop from recycled wood.

Mrs Davidson asked what the members felt about a fashion sale in school for the moms. She said the sales were split 50/50 between the organisers and school. The clothes were all ex-catalogue/store and sold at substantially reduced prices. She suggested it be marketed maybe as a mom's night out. All agreed it was a good idea so Mrs Davidson said she would find out more.

Date and time of next meeting

Wednesday 1st April at 9:00am.

All welcome, would be lovely to see some more new faces join the group.
